RESPONSE TO THE OFFICE ACTION DATED JANUARY 15, 2002

United States Patent and Trademark Office  
P.O. Box 2327  
Arlington, VA 22202

Dear Sir:

In response to the Office Action dated January 15, 2002, Applicants respectfully submit the following amendments and comments in connection with the above-captioned application.

IN THE CLAIMS:

Please cancel Claim 1, without prejudice.

Please add new claims 2-23 as follows:

31-  
32 A physiological monitor for monitoring a pulse rate of a living being, said monitor comprising a signal processor configured to:  
transform a time-domain plethysmograph dataset into a spectral-domain dataset;  
identify a plurality of spectral peaks in said spectral domain waveform; and  
sort said plurality of spectral peaks into one or more spectral peaks corresponding to a fundamental frequency and one or more harmonics of said fundamental frequency, and estimate a pulse rate from said fundamental frequency and said one or more harmonics.
